One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent. of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Arcadia Valley Drug Co.

My properties in Butler County consist of many vacant and some nicely improved lots in Poplar Bluff and Haviell, one Two-Story 22-Room Hotel, one Saloon Building, and one Store Building, located between Frisco and St. L. I. M. & S. stations in the town of Haviell; also Wild Lands and numerous Farms, in tracts of 40 acres and up. My farm lands, both up-lands and bottoms, have a fertile soil well adapted to the growth of clover and other grasses, also wheat, oats and corn and potatoes, as well as all other farm products raised in South east Missouri. They are all located within one-half to six miles of town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the Frisco system, some of them adjoining the right of way of each railroad. They are situated in good healthy settlements, within easy reach of school houses and churches, and the best of water being accessible at minimum cost.
